Doug,
I'll have Tom and Brian on the call. Tom will be back in the office tomorrow and then I can find out what his schedule is next week. I'll get back to you sometime tomorrow.
Bill

Subject: Update on Dewey Burdock

Greetings Bill: might you and/or your staff have some time next week for us to give you a brief update on Dewey Burdock?

As we continue to work toward draft permit issuance, we are endeavoring to keep the DENR, NRC, the Tribes, and Powertech in the loop on our overall efforts.

Let me know if there are particular dates and times that work well for you.

Sincerely,

Douglas K. Minter
